GiòPAD®

Ecological, Reusable,
Super Absorbent Mat

A choice that will benefit your puppy,
your pocket, and the environment!

Super-Absorbent

Rapidly absorbs liquids, retaining them inside and guaranteeing a clean environment. **It holds up to 2 litres per m².**

Hygienic and hypoallergenic

The high quality of the textiles the GiòPad® is made of ensure maximum hygiene, while preventing the development of allergenic agents and guaranteeing your pet's health.

Reusable and Ecological

As GiòPad® is reusable it avoids wasting cellulose, water and energy, all necessary resources for producing disposable mats.

Impermeable and breathable

The special microporous membrane blocks liquids, allowing the passage of air and avoiding the accumulation of heat and the formation of germs and bacteria that are often the cause of unpleasant odours:

Anti-Odour

Washable and quick-drying

Washable at temperatures of up to 90°. Stays soft and flexible. Dries quickly.

Bite and scratch resistant.

It is recommended to wash the product before use!

Attention: - do not use fabric softeners.
Oxygenating agents can be used.
